

OUR FUTURE DEPENDS ON IT

The financial crisis cost 6.2 million American jobs, including nearly 26,000 jobs in Maine.

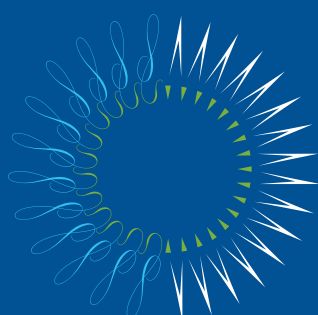

Two years later, the majority of voters believe that the chances are 50-50 or better that the U.S. will experience another crisis by 2013. Americans want **REFORM NOW.**

Call your Senators and Members of Congress and tell them America needs financial reform that:

- Creates an early warning system.
- Ends "Too Big To Fail" and bailouts.
- Increases transparency in markets.
- Protects consumers.

**FINANCIAL REFORM:
Business as usual is not an option**
